¹ See General Notes.

USDA = Department of Agriculture; Com = Department of Commerce; DoD = Department of Defense; ED = Department of Education; DOE = Department of Energy; EPA = Environmental Protection Agency; HHS = Department of Health and Human Services; Int = Department of the Interior; NASA = National Aeronautics and Space Administration; NSF = National Science Foundation.

NOTES: A hospital is defined as a member of the American Hospital Association not subject to the control of Federal, State, or local governments, nor an integral part of any institution of higher education. Hospitals that have been set up by research institutes and that while providing patient care, function primarily as laboratories for the research institutes, are included in the "research institutes" category. Tied institutions are listed alphabetically.
