NOTES: Data not available for 1999. Data based on degree-granting institutions eligible to participate in Title IV federal financial aid programs and do not match previously published data based on accredited higher education institutions. High-Hispanic-enrollment institutions are defined as those on the U.S. Department of Education's list of minority-serving institutions with high Hispanic enrollment in fall 2006. See <http://www.ed.gov/about/offices/list/ocr/edlite-minorityinst.html>.
