

# Federal Funders

## Town Hall & Speed Coaching Meeting Moscone Center West - Exhibit Hall

Monday, August 11, 2014 | 1:00 PM - 5:00 PM

**1:00 – 3:00 PM** Leaders from NIH, DOE, NSF, EPA, and DOD will participate on a town hall meeting panel to discuss programs and opportunities available at their respective Federal agencies. Find out about agency priorities, new grant programs, updates to current research and education grant programs, and how to become a reviewer or panelist for Federal government grant proposals.

**3:00 – 5:00 PM** Federal agency program managers will be available for “speed coaching” with all ACS meeting attendees. Spend 10 minutes one-on-one with program managers from across Government to discuss best practices for obtaining Federal funding, proposal preparation tips, strategies for success, aligning project goals with available programs, and much more!

All ACS Meeting attendees are invited to attend.  
Registration is not required.

### Visit the NSF Chemistry Booth #1138 at the ACS Exposition

- ✓ Learn about NSF grants for research, infrastructure, graduate, and undergraduate education (REU, MRI, TUES, GRFP, I-Corps, and many more!)
- ✓ Hands-on live demonstrations of NSF Virtual Panel technology
- ✓ Register to become a NSF reviewer/panelist
- ✓ Connect with NSF staff
