August 13, 2019

Dear Colleagues:

We will have a brief virtual MPSAC meeting on the afternoon of August 23, 2019. Please see the [event website](#) for connection information and a detailed agenda.

The agenda for this meeting consists of presentation and discussion of two reports related to our Division of Physics, the Physics Frontiers Center Program Subcommittee and the 2019 Committee of Visitors. I look forward to hearing your thoughts on these reports.

This will also be the last meeting for our chair, Dr. Katy Pilachowski, and one of our long-serving members, Dr. Phil Bucksbaum. I am immensely grateful to both of them for their dedication to the AC and the thoughtful insights and leadership they have provided to the committee over the years. The new AC chair as well as two new members joining the committee in FY 2020 will be announced at the August meeting.

If you have any questions or concerns, please contact Nadège Aoki or Chris Coox by phone/email at 703-292-4934/naoki@nsf.gov or 703-292-5137/ccoox@nsf.gov.

I look forward to a productive meeting.

Sincerely,

A handwritten signature in black ink that reads 'Anne L. Kinney'.
