

THIS IS A FACA COMMITTEE

Through enactment of the *Federal Advisory Committee Act (FACA) of 1972 (Public Law 92-463*)*, the U.S. Congress formally recognized the merits of seeking the advice and assistance of our nation's citizens to the executive branch of government.

FACA was enacted to ensure that advice given to federal government agencies by groups of individuals that include non-federal employees is objective and accessible to the public.
