

## Impact on Existing Solicitations

**February 24, 2021**

Proposers are advised that NSF may be modifying the requirements contained in existing solicitations to provide temporary guidance for proposals submitted or due during the ongoing COVID-19 pandemic. Links to the impacted solicitations and a brief description of the change(s) are detailed below. Additional solicitations may be added to the list, so proposers are strongly encouraged to check [NSF's website](#) regularly.

**Requirements for published program solicitations that do not appear on the list below remain unchanged.**

Pub ID	Title	Summary of Change(s)
18-584	<a href="#">SBE Postdoctoral Research Fellowships (SPRF)</a>	The SPRF program will be accepting COVID-19 related supplement requests to extend the fellowship tenure of active awardees with start dates through January 1, 2020.
19-574	<a href="#">Atmospheric and Geospace Sciences Postdoctoral Research Fellowships (AGS-PRF)</a>	The AGS-PRF program will be accepting COVID-19 related supplemental funding requests of less than 20% of the PRF award to extend the fellowship tenure of active awardees with start dates between January 1, 2020 and October 1, 2020.
20-562	<a href="#">Civic Innovation Challenge</a>	Notifies proposers about the issuance of a new Dear Colleague Letter ( <a href="#">NSF 20-100</a> ) that clarifies the additional support and focus areas of the program.
21-552	<a href="#">Innovation Corps – National Innovation Network Teams Program (I-Corps Teams)</a>	Includes temporary guidance to proposers and active grantees regarding budgeted travel and customer discovery activities and extensions for period of performance.

***\*NSF will be modifying each solicitation to reflect the changes.***
