

Dec 7-13, 2015

Computer Science Education Week

#CSEdWeek

Computer Science Empowers Us to Change Our World

Computer science has transformed the way we live, work, play, and communicate. It's not just about coding, it's about fundamental principles and skills used to creatively solve problems.

Help bring CS to Your Community

There are many ways to get involved

Take CS to a local K-12 school
www.ncwit.org/roadshow

Host a CS Tech Jam
<http://csedweek.org/educate/cstechjam>

Make an app
<http://appinventor.mit.edu/explore/>

Promote Computer Science
www.leadcs.org

Tweet about #compsci & #CSEdWeek

Organize an Hour of Code
<https://hourofcode.com/us>
