

FY 2001 awards: Nanotechnology Undergraduate Education (NUE)					
	NSF award number	Institution	PI Name	Proposal Title	NSF funds obligated FY 2011
1	1042028	Washington University at St. Louis	Dong Qin	NUE:Nanotechnology Minor at Washington University in St. Louis	\$200,000
2	1042056	Texas A&M University-Kingsville	Syed Omar	NUE:Nanoengineering Education in an Under-Represented Minority University	\$199,868
3	1042061	University of Washington	Santosh Devasia	NUE:Integrating Nanodevice Design, Fabrication, and Analysis into the Mechanical Engineering Curriculum	\$200,000
4	1042062	University of New Mexico	Zayd Leseman	NUE:An Integrated Multidisciplinary Nanotechnology Undergraduate Education Program at the University of New Mexico	\$200,000
5	1042082	CUNY City College	Ilona Kretschmar	NUE:Integrating Nanotechnology Education at CUNY Community Colleges	\$200,000
6	1042086	Florida State University	Ongi Englander	NUE:NanoCore II (Nanotechnology Concepts, Opportunities, Research and Education) at the FAMU-FSU College of Engineering	\$200,000
7	1042094	University of Wisconsin-Platteville	James Hamilton	NUE:USE-NanoMEMS:Undergraduate Science and Engineering Workforce Education in Nanotechnology and Microsystems	\$200,000
8	1042101	North Carolina State University	Yong Zhu	NUE:Bottom-Up Meets Top-Down-An Integrated Undergraduate Nanotechnology Laboratory at NCState	\$200,000
9	1042110	Indiana University Purdue University	Maher Rizkalla	NUE:Integrating Nanotechnology in Engineering Curricula (INEC)	\$199,942
10	1042114	Mississippi State University	Priscilla Hill	NUE:Multifunctional Nanostructures for Integrated Electrical, Chemical, Mechanical and Biological Applications: an Interdisciplinary Certificate Program	\$200,000
11	1042119	University of Massachusetts-Lowell	Zhiyong Gu	NUE:Interdisciplinary Course-Nanoscale Transport Phenomena for Manufacturing Nanodevices	\$200,000
12	1042040	University of South Carolina-Columbia	Navid Saleh 803-777-2288 salehn@cec.sc.edu	NUE:Nano in a Global Context for Engineering Students	\$200,000
13	1042071	Temple University	Svetlana Neretina 215-204-6326 neretina@temple.edu	NUE:A Sustainable Urban Environment Advanced by Engineers Empowered with Nanotechnology	\$199,967
14	1042157	University of California-Santa Barbara	Sumita Pennathur 805-893-5510 sumita@engineering.ucsb.edu	NUE:Using Peer-to-Peer Support to build NEMS and Consider SEEE Implications of Nanotechnology	\$200,000
				Total FY 2011:	\$2,799,777
