

The NSF Nursing Mothers (Lactation) Program

The NSF Nursing Mothers Program is located on the 4th floor of the central tower in room C4040, and contains three private lactation rooms: two standard rooms and one with wheelchair accessibility.

The NSF Nursing Mothers Program includes:

- Access to onsite private lactation rooms.
- Access to sinks and dedicated refrigerator for breast milk storage.
- Two hospital-grade breast pumps, with a sanitary personal-use kit.
- Wi-Fi access via mothers' own personal devices.

Please note: visitors to NSF will be able to use the lactation rooms, but must be escorted.
