

C. Glinka, D. Neumann, NIST Center for High Resolution Neutron Scattering – [DMR-9986442](#); [DMR-0086210](#)

CHRNS participates in NIST's Summer Undergraduate Research Fellowship (SURF) program by sponsoring 4 SURF students each year. Students work on individual research projects with a NIST advisor, and participate in group educational and cultural activities.

Ramsey Zeitoun
U. Maryland

Teresa Jacques
Smith College

Alan Thrift
UNC Charlotte

Veronica Rodriguez
U. Puerto Rico

Student	University	Advisor	Project
Ramsey Zeitoun	U. Maryland	Dr. T. Udovic	Development of a Bismuth Filter for Neutron Vibrational Spectroscopy
Teresa Jacques	Smith College	Dr. S. Satija	Analysis of Self-Assembled Monolayers by X-ray and Neutron Reflectivity
Alan Thrift	UNC, Charlotte	Dr. T. Gnaupel-Herold	Mechanical Design of a Load Cell for Neutron Residual Stress Measurements
Veronica Rodriguez	U. Puerto Rico	Dr. S. Krueger	Phase Behavior of a Mixed Lipid Biomimetic Membrane
