

BASIS FOR HOLDING A COMMITTEE ON STRATEGY
CLOSED TELECONFERENCE ON SHORT NOTICE
APRIL 14, 2021

On April 11, 2021, the Executive Committee (EC) of the National Science Board voted to hold the videoconference meeting of the Committee on Strategy (CS) on April 14, 2021. EC Members Drs. Panchathan, Phillips, and Richmond voted “yes” to close the teleconference.

This meeting had been scheduled for April 8, 2021, but it was postponed and rescheduled on short notice due to the difficulty in finding a mutually convenient time for document reviewers and drafters to meet within the constraints of the document deadlines. The EC members determined that agency business required the change.
