It is my opinion that the discussion in the meeting of the NSB A&F Committee on Monday, February 12, 2024, may properly be closed for the reason given.

The agenda is: Committee Chair's opening remarks about the agenda; Discussion of the Astro2020 Decadal Recommendations; Vote on proposed resolution.

This meeting may properly be closed to the public pursuant 5 U.S.C. § 552b (c)(9)(B), regarding information the premature disclosure of which would enable a third party to take action that injures the interests of the federal government.
