The Honorable Ted Cruz
Ranking Member
Committee on Commerce, Science, and Transportation
United States Senate
Washington, DC 20510

Dear Senator Cruz:

As required by the Inspector General Act of 1978, as amended, the NSF Management Response also contains information on final actions on audits. This information is contained on tables in the enclosed report, where totals are consistent with those of the statistical tables contained in the Inspector General’s report and accurately reflect questioned costs.

Sincerely,

Daniel A. Reed  
Chair
