The Honorable Frank Lucas  
Chairman  
Committee on Science, Space, and Technology  
House of Representatives  
Washington, DC 20515

Dear Mr. Chairman:

As required by the Inspector General Act of 1978, as amended, the NSF Management Response also contains information on final actions on audits. This information is contained on tables in the enclosed report, where totals are consistent with those of the statistical tables contained in the Inspector General’s report and accurately reflect questioned costs.

Sincerely,

Daniel A. Reed  
Chair
