TO: Jeffrey M. Lupis
   Director, Division of Acquisition and Cooperative Support (DACS)

FROM: Dr. Brett M. Baker
   Assistant Inspector General for Audit

SUBJECT: NSF OIG Audit Report No. OIG-16-1-001, Audit of CH2M HILL Constructors Inc.’s (CCI) Proposed Amounts on Unsettled Flexibly Priced Contracts for FY 2008

We contracted with the Defense Contract Audit Agency (DCAA) to participate in an incurred cost audit of CH2M HILL Constructors, Inc. (CCI) for FY 2008 that included NSF’s U.S. Arctic Program contract (ARC-0520837). This audit questioned $373,815 of the proposed direct and indirect costs for the NSF contract.

Therefore, we recommend that the NSF Director of the Division of Acquisition and Cooperative Support:

1) Resolve the $373,815 of NSF questioned contract costs, and
2) Work with the DoD cognizant audit resolution officials to assure that any additional corrective actions applicable to NSF are taken.

See also OIG Audit Report No. OIG-16-6-002 for additional information we obtained from DCAA affecting this NSF contract and timeframe.

To fulfill our monitoring responsibilities, the Office of Inspector General:

- Reviewed the approach and planning of the audit;
- Evaluated the qualifications and independence of the auditors;
- Monitored the progress of the audit at key points;
- Coordinated periodic meetings with DCAA and NSF officials as necessary to discuss audit progress, findings and recommendations;
- Reviewed the report prepared by DCAA; and
Coordinated issuance of the report.

DCAA is responsible for the attached report and the resulting conclusions.

Please coordinate with our office during the six month resolution period, as specified by OMB Circular A-50, to develop a mutually agreeable resolution of the audit findings. Also, the findings should not be closed until NSF determines that all recommendations have been adequately addressed and the proposed corrections actions have been satisfactorily implemented.

We thank you and your staff for the assistance extended to us during the audit. If you have any questions about this report, please contact Sherrye McGregor at (703) 292-5003 or Jannifer Jenkins at (703) 292-4996.
