CLOSEOUT MEMORANDUM

Case Number: A08040015

Page 1 of 1

This case was opened under a proactive review of REU grants. A small amount of copied text¹ was identified, however, a further review indicates that the amount of text was *de minimus* and was a common description of a symposium being held later in the year. Based on our analysis, no further action was warranted. Accordingly, this case is closed.
