CLOSEOUT MEMORANDUM

Case Number: A09070066

Page 1 of 1

We assessed an allegation of a pattern of plagiarism in proposals received from a PI¹ at a small university. We examined eleven proposals² submitted by this PI for a five year period, and occasionally found a *de minimus* amount of text that may have been copied from the works of others. No substantive evidence for a pattern of plagiarism or for plagiarism in a single proposal is evident from our examination.

Accordingly, this case is closed.
