CLOSEOUT MEMORANDUM

Case Number: A11030019

Page 1 of 1

A PI¹ appeared to have submitted a proposal² asking for funding to do work he had recently completed and published.³ We contacted the PI who explained the ongoing nature of the project and admitted to the vagueness of the proposal with respect to the status of the proposed activities. He withdrew the proposal and demonstrated an understanding of the impropriety of requesting funds for work already completed.

Accordingly, this case is closed.
