CLOSEOUT MEMORANDUM

Case Number: A11060045

Page 1 of 1

NSF OIG received an allegation of plagiarism in a PI's¹ proposal.² We contacted the PI about the alleged plagiarism, and she acknowledged that the source document was not fully and properly attributed. Because of the existence of citations to the source document and the small amount of copied text, the PI's act does not rise to the level of research misconduct. Thus, we sent the PI a letter reminding her to carefully and fully cite all source material. Accordingly, this case is closed.
