CLOSEOUT MEMORANDUM

Case Number: A11110072

Page 1 of 1

We received an allegation that a senior NSF employee¹ had: traveled without prior approval or authorization, failed to do assigned work, and entered erroneous information in NSF's time and attendance system to cover being absent without approved leave. We learned NSF's human resources and legal departments were aware of these issues, had conducted a managerial investigation, and were ready to take action. After discussion with NSF, we agreed the issues were better addressed by NSF management, so we referred our investigation to NSF. Accordingly, this case is closed.
