CLOSEOUT MEMORANDUM

Case Number: A12060040

Page 1 of 1

A complainant¹ indicated that information from his published² and unpublished materials was used in an article³ without citation by the PI⁴ on an NSF proposal. When we asked the complainant to identify the material that was copied and provide the source documents, he instead forwarded an email message from a co-author⁵ of the allegedly plagiarized article stating that an erratum had been issued to the publishing journal that credited the complainant's work. The complainant indicated that this was an acceptable resolution, and did not provide any specific information to support his initial complaint.

Accordingly, this case is closed.
