Page 1 of 1

We reviewed an allegation regarding possible mistreatment of program income<sup>1</sup>. To ascertain whether participant fees were properly treated as program income and used to offset allowable charges to the grant, we contacted the awardee institution<sup>2</sup> to request supporting documentation for recorded expenses and credits. Based on the information provided, we ascertained that program income had been properly credited to the grant to offset otherwise allowable charges.

Accordingly, this case is *closed*.
