CLOSEOUT MEMORANDUM

Case Number: A14040017

Page 1 of 1

We received an allegation that a post-doctoral fellow¹ was not able to access the research data records of a former post-doctoral fellow² in the PI's laboratory³. Our review of the matter determined that the research studies of the PI and the former post-doctoral fellow were not NSF funded. We found no nexus for investigation by this office. The complainant has contacted the appropriate university official⁴ about accessing past laboratory data records. Accordingly, this case is closed with no further action taken.
