Case Number: I04120047

Page 1 of 1

Two NSF awards<sup>1</sup> were reviewed as part of a Proactive Review of Participant Support funds. Participant support funds are restricted to specific uses and cannot be reallocated without prior written approval from NSF.

Following discussions with NSF and the institution<sup>2</sup> on May 27, 2005, the institution sent a check for \$73,509.00. The check represented a final settlement for these two NSF awards. The institution also submitted a copy of the institution's new policy regarding the use of participant support funds.

Accordingly, this case is closed.
