Page 1 of 1

This investigation was opened based on general concerns expressed to OIG regarding the relationship between NSF's Office of Experimental Program to Stimulate Competitive Research (EPSCoR) and an external organization¹ that received NSF EPSCoR funds and employed former NSF EPSCoR personnel.

The investigation, which included record reviews, witness interviews, and examination of subpoenaed financial records, disclosed no evidence of any conflicts of interest, fraud, or other impropriety.

In light of the above and in the absence of a specific complaint of wrongdoing, this case is closed.
