CLOSEOUT MEMORANDUM

Case Number: I07090036

Page 1 of 1

The Office of Investigations-Office of Inspector General (OIG) initiated an investigation based on a referral¹ that an awardee² overcharged NSF during a grant.³

Our investigation found no fraud. However, our investigation found the awardee inadvertently applied an incorrect overhead rate to the labor associated with the award. The awardees' use of an incorrect overhead rate resulted in an overcharge to NSF.⁴ Based on our findings, the awardee reimbursed NSF the amount of the overcharge.⁴ Accordingly, no further action is warranted and this case is closed.
