CLOSEOUT MEMORANDUM

Case Number: I08050033

Page 1 of 1

This investigation was opened pursuant to an allegation that a University¹ sub-contractor² has been misappropriating NSF grant funds³.

The University's Office of Audit conducted a review and determined that there were no financial irregularities. The University did find two minor charges made against the grant which are unallowable and the University will be submitting a refund/credit back to NSF award for the full amount.

No evidence was found to indicate any wrongdoing or that NSF funds were misappropriated.

Accordingly, this matter is closed.
