CLOSEOUT MEMORANDUM

Case Number: I-11060030

Page 1 of 1

We conducted an investigation of an NSF employee¹ who was alleged to have misused his government issued BlackBerry and desk phone to make excessive personal calls (local, long distance and international calls) which were paid for by NSF. It was also alleged that he had submitted false travel reimbursement claims for taxi fares.

Our investigation determined that the allegations were substantiated in part, and the matter has been referred to the employee's supervisor for appropriate action.

This case is closed.
