## CLOSEOUT MEMORANDUM

Case Number: I12070040

Page 1 of 1

In a proactive review of awards under NSF's Louis Stokes Alliances for Minority Participation (LSAMP) program, we determined that funds from an award<sup>1</sup> had been used to provide scholarships to students other than those specified in the award, contrary to the express conditions of the award. Because the evidence did not indicate fraudulent mischarging, we referred the matter to NSF management. As a result, NSF recovered \$210,320 from the awardee.<sup>2</sup>

Accordingly, this case is closed.
