Case Number: I12090062

Page 1 of 1

This case was opened from an allegation that the Subject<sup>1</sup> was serving as a Principal Investigator for an award<sup>2</sup> to a grantee<sup>3</sup> but was not an employee there.

We interviewed the Program Officer, who was aware of the relationship between the Subject and the grantee, and had no concerns about the administration of the award.

This case is closed with no further action taken.
