CLOSEOUT MEMORANDUM

Case Number: I-13070047

Page 1 of 1

We opened this case following contact from another agency¹ that had identified potential conflict of interest issues related to SBIR awards. The awards were made to a company² that subcontracted some of the work to company personnel who were also employed at a university.³

No conflict of interest issues were substantiated. We found a potential eligibility issue that we referred back to the other investigating agency to consider during its ongoing investigation.

This case is closed with no further action taken.
