CLOSEOUT MEMORANDUM

Case Number: I13100057

Page 1 of 1

This case was opened on a company¹ due to concerns regarding the proposed sub-awardee² partner's³ relationship with the PI⁴ regarding SBIR Phase I and Phase II awards⁵. We reviewed the qualifications of the sub-awardee partner pertaining to the grant research, financial records, and company records. This review revealed that the sub-awardee was qualified to carry out their proposed portion of the research and that NSF funds were not misspent.

Accordingly, this case is closed.
