CLOSEOUT MEMORANDUM

Case Number: I13110059

Page 1 of 1

This case was opened when a member¹ of an NSF advisory panel² who cooperated with an OIG audit³ advised OIG that he had been removed from the panel shortly after the NSF Office⁴ being audited learned of his cooperation.

Our investigation determined that the cause of the member's removal and the decision to remove him from the panel predated his cooperation with OIG.

This case is closed with no further action taken.
