CLOSEOUT MEMORANDUM

Case Number: I14060023

Page 1 of 1

We received an allegation of retaliation from an NSF employee¹. Specifically, the complainant alleged that an NSF selection official² did not select the complainant for a position³ based on his/her cooperation in an OIG investigation.

We interviewed the selection official and reviewed relevant documents and emails; however, we did not find evidence of retaliation. The complainant also notified us that he/she had contacted the Office of Special Counsel.

Accordingly, this case is closed.
