TO: AIGI	File Number: I94120045	Date: 15 March 2002
Subject: Closeout Memo		Page 1 of 1

There was no closeout written at the time this case was closed. The following information was extracted from the file in conformance with standard closeout documents.

Our office was informed that the subject¹ was alleged to have submitted false statements in his NSF proposal. The subject had an out-of-business company provide a letter stating it would donate equipment² so that the subject could receive NSF matching funds.³ We verified that this currently out-of-business company did in fact donate a certain amount of equipment to the subject. The subject's university⁴ provided an account summary and list of matching funds that corroborated the testimony of the company. No fraud or misconduct found.

Accordingly this case is closed.
