CLOSEOUT MEMORANDUM

TO: AIGI	File Number: I95090031	Date: 17 March 2002
Subject: Closeout Memo		Page 1 of 1

There was no closeout written at the time this case was closed. The following information was extracted from the file in conformance with standard closeout documents.

Our office was informed that the subject¹ was alleged to have pocketed money meant for an NSF-supported workshop. A participant in the workshop felt that the quality of the workshop was poor. This case was referred to the Office of Audit. A CPA firm found a lack of records but the program was produced as proposed. The CPA firm recommended administrative restrictions for future funding and NSF agreed.

Accordingly this case is closed.
