

HOW TO DETERMINE YOUR VIDEO CONFERENCING PLATFORM

- 1 Your program officer may directly tell you the conferencing service that will be used to host your meeting.
- 2 Alternatively, you can look at the meeting's URL in the email invitation that you receive. If the invitation you receive includes only a button for joining the meeting, hover your cursor over the button to see the link for your meeting to determine whether your panel will be hosted using BlueJeans or Zoom.
