Clarifications and Other Changes to the NSF Conference or Group Travel Grant Special Conditions, dated 01/10

- ◆ **Overall Document.** References to documents that no longer are in effect, such as the Federal Demonstration Partnership Terms and Conditions, have been removed from the Special Conditions and replaced with current references.

- ◆ **Travel, Article 3,** has been revised to remove the previous section c. and the lettering in the rest of the sections has been updated. This was done to ensure consistency with the travel guidance contained in the *Award & Administration Guide*, as well as in the *Grant General Conditions* and the *NSF Agency Specific Requirements to the Research Terms and Conditions*.
