NOTES: Because of rounding, detail may not add to totals. Institution order is based on total actual dollars received before amounts are rounded. Only those agencies that had obligations in the variables represented by this table appear in the table. This list of HAIE institutions includes those that are not Tribal Colleges or Universities and whose full-time-equivalent enrollment of undergraduate students is at least 10% Native American students, according to fall 2012 enrollment data self-reported by the institutions in the Integrated Postsecondary Education Data System survey conducted by the National Center for Education Statistics.
