^a Race or ethnicity categories are as designated on the survey form. These categories include U.S. citizens and foreign citizens on permanent visas (i.e., resident aliens who have been admitted for permanent residency).

^b No race or ethnicity data are collected for this group.

NOTE: Engineering technologies are instructional programs that prepare individuals to support and assist engineering and related professionals or to provide such services independently; these programs stress specialized, practical knowledge related to the mathematical, scientific, or technical aspects of engineering and related sciences.
