FIGURE 8-27

Share of U.S. nonmanufacturing companies reporting product or process innovation, by selected industry: 2013–15

Industry
- All nonmanufacturing industries
- Transportation and warehousing
- Health care services
- Architectural and engineering
- Information
- Electronic shopping and auctions
- Scientific R&D services
- Computer systems design

Note(s)
The survey asked companies to identify innovations introduced from 2013 to 2015. Architectural and engineering category and computer systems design includes related services.
