Note(s)
Data include active foreign national students on F-1 visas and exclude those on optional practical training. Undergraduate enrollment includes associate’s and bachelor’s degrees. Numbers are rounded to the nearest 10. Places of origin are ordered by total number of S&E students. Detail may not add to total because of rounding. Physical sciences include earth, atmospheric, and ocean sciences. Data include students who are in the SEVIS database between 16 April and 15 November of each year.
