

TABLE 5-D 

Number of titles and publications filtered from the Scopus database

(Number)

Filter	Journals		Conference proceedings		Total	
	Titles	Publications	Titles	Publications	Titles	Publications
Scopus	216	162,323	15	238,208	231	400,531
Directory of Open Access Journals	106	67,497	0	0	106	67,497
Total	307	211,595	15	238,208	322	449,803

Note(s)

"Titles" includes journals, books, and conference proceedings, and "Publications" includes the individual items appearing in the titles. Prepared by Science-Matrix using Scopus (Elsevier). Total does not sum to individual sources because there is some overlap between Directory of Open Access Journals and Scopus filters.
