WiCell Research Institute	0	0	0	0	0

NA = not available; data were not provided by institution. na = not applicable; institution was not surveyed.

NOTES: Some states do not appear in the table because these states either did not have any institutions included in the survey population or the institutions included in the population did not respond to the survey. These data are unadjusted; the totals of these data will not match the totals in tables with weighted and imputed data.
