<sup>a</sup> Public and private nonprofit academic institutions reporting over \$150,000 in total R&D expenditures will be included in FY 2011 Higher Education Research and Development (HERD) Survey population. Because of small number of for-profit academic institutions reporting R&D expenditures, these institutions will not be included in FY 2011 population.

NOTE: HERD Short Form consisted of question 1 from HERD Survey and was sent to all 4-year-and-above institutions not currently included in HERD Survey.
