16	Web Quex mailed/sent	192	5.7%		
17	Quex returned -- blank	12	0.4%		
19	Quex returned -- deceased	9	0.3%		
75	Final refusal	225	6.7%		
* These numbers reflect the current status of each graduate's questionnaire, rather than the cumulative totals for each category. For example, the "Sent first letter" category includes only those graduates for whom a questionnaire has not yet been received, and for whom a reminder postcard (the next follow-up activity in the process) has not yet been sent. Individuals who responded by sending in a completed hardcopy or web questionnaire are included in the "Questionnaires receipt controlled" category.
