Welcome to the National Science Foundation's (NSF) [Survey of Federal Science and Engineering \(S&E\) Support to Universities, Colleges, and Nonprofit Institutions](#) Web-based data collection system.

For help getting started, please consult the [Online Help](#). If you do not have use of a mouse to complete this survey (keyboard access only), you will want to [disable JavaScript](#) before entering the system.

#### **NSF's Federal support survey annually collects data on:**

- Total program support in thousands of dollars for S&E activities to academic

institutions,

- R&D and R&D plant support to nonprofit institutions.

The Federal support survey is the only source of detailed data on Federal S&E obligations to individual universities, colleges, and nonprofit organizations, and therefore attracts a wide audience. Specific users have included the Chronicle of Higher Education and EPSCoR (Experimental Program to Stimulate Competitive Research). Since 1979, EPSCoR has assisted states that have historically received little Federal R&D funding, and that have demonstrated a commitment to develop their research bases and improve S&E research and education programs at their universities and colleges to compete more successfully for such funding.

For technical support assistance, please contact Macro International at (800) 265-6144 or by [email](#).

### Check Status for Submitting Survey

You may still view your data in read-only mode after you submit your survey response.

Please contact us to change your data after you select the **Submit** button below.

**Survey data cannot be submitted to NSF until the following errors have been corrected. After making any necessary corrections or reviews, return to the Main Menu and submit your data again.**

#### **✖ Confirm or Update Your Contact Information**

Contact information must be saved before you can submit your final data.

#### **✖ Work on the Survey**

Data obligations reported for institutions in the survey population are incomplete. All institutions in the population must have obligations reported in at least one category of support. Please return to the Work on Your Institution List and Survey Data page and either report obligations for all institutions with a  or **✖** status icon or deactivate institutions that will be receiving no Federal Support obligations in FY2006

#### **✖ Confirm Your Final Survey Population**

You must confirm your survey institution list before you can submit your final data.

#### **✖ 001 - QRC Test**

#### **✖ 002 - srs front office**

All Program Offices must submit their final data before the Agency can submit final data to

NSF.
